

# Oleg Boyko

Composer · Guitarist

Oleg Boyko is a composer and guitarist whose work focuses on contemporary concert music, chamber repertoire, and educational projects.

His catalogue includes original works, arrangements, and transcriptions for solo guitar, chamber ensembles, and mixed instrumental forces. A significant part of his output is dedicated to pedagogical repertoire for young performers and music education contexts.

His music has been performed in concert and educational settings and is intended for both professional musicians and advanced students.

## **Selected focus:**

- Contemporary concert music
- Chamber music
- Educational repertoire
- Guitar and ensemble writing
